VICTORIA DESISTO

SENIOR INTERIOR DESIGNER/
PROJECT MANAGER

OBJECTIVE

Senior Interior Designer with 10+ experience in Architecture and Interior Architecture, recognized for creative problem-solving and effective communication seeking to support a team throughout the development and successful delivery of projects.

WORK EXPERIENCE

INTERIOR DESIGN PROJECT MANAGER

CPZ Architects | 2024 - Present

Lead the development of interior design concepts, translating project requirements into creative, functional and innovative design solutions for multidisciplinary projects. Directed selection and coordination of materials and furniture packages to support cohesive design concepts. Coordinated technical drawings development to translate design intent into accurate project documentation. Analyze construction and installation budgets to support informed design and project delivery decisions. Contribute to efficient studio operations while supporting successful management and delivery of responsibilities.

CONSULTANT

Victoria Franco Design. LLC | 2020 - 2024

Collaborated with project teams through all phases of design and project delivery. Conducted site visits during initial and construction phases to evaluate existing conditions and support project execution. Developed Interior Design concepts and presentations for commercial and residential projects in alignment with client objectives. Directed the selection a coordination of FF&E.

DESIGNER / PROJECT MANAGER

IDDI Design International | 2019 - 2020

Contributed to the design development of residential, multifamily and hospitality projects from concept through execution. Led the selection of FF&E. Maintained effective communication with clients and vendors. Supported installation to successful project delivery.

PROJECT MANAGER

MSA Architects | 2018-2019

Led concept and schematic design development for residential and mixed-use projects. Coordinated across disciplines to advance projects through initial permitting and approval processes. Maintained effective communication between clients and the firm to ensure project requirements and design objectives remained aligned.

ARCHITECTURAL ASSOCIATE II

DCSP Architects & Engineers | 2015-2018

Developed concept design drawings, renderings, and presentations for master planning, residential, and hospitality projects. Contributed to project development across multiple phases in coordination with project managers and multidisciplinary team.

DESIGNER ASSISTANT

StyleHaus | 2012-2015

Supported the Principal Designer in the development and execution of residential interior design concepts. Contributed to spatial planning, material selections, and furniture package development. Assisted with project coordination and day-to-day studio.
